

Social Care Networks

New York State Medicaid is expanding access to services to address health-related social needs, to improve the health and wellbeing of Medicaid Members. Regional Social Care Networks can help Members access social care services which include:

HOUSING

NUTRITION

TRANSPORTATION

REFERRAL TO SOCIAL CARE SERVICES, INCLUDING A NAVIGATOR

This program is meant to reach children and adults, Members with behavioral health conditions, pregnant persons, and other Medicaid populations.

Medicaid Members can connect with a social care navigator in their regional Social Care Network to discuss their needs, eligibility, and the local food, housing, and other resources available to them.
