

Join a Social Care Network serving Medicaid Members in our community

New York State Medicaid is expanding access to services to address health-related social needs through Social Care Networks.

Staten Island PPS is seeking health-related social needs service providers (including community-based organizations), health care providers (including behavioral health), and other partners to join in this effort.

What services are provided?

The following services may be reimbursed when provided to Medicaid Members who qualify, by providers participating in the Social Care Network:

Housing Supports

- Home accessibility and safety modifications
- Home remediation service
- Asthma remediation
- Medical Respite
- Rent / temporary housing
- Utility set-up / assistance
- Housing navigation
- Pre-tenancy services
- Community transitional services
- Tenancy sustaining services
- Housing transition services
- Navigation to housing support services

Food and Nutrition

- Nutritional counseling and education
- Medically tailored meals
- Food prescriptions
- Pantry stocking with fresh produce and non-perishable groceries
- Cooking supplies
- Navigation to food and nutrition services

Transportation

- Public or private transportation to access social care services
