

Northwell Health's Health Home is a New York State Medicaid care coordination program that **provides access to medical, mental health, substance abuse, and social and family support services** to people who need them.

Health Home services are **free to those who qualify**. Becoming a member is your choice. Your **Medicaid and social service benefits will not change**.

For more information, please call  
**(888) 680-6501**.

### Health Home

600 Community Drive, Suite 400  
Manhasset, New York 11030

Health Home  
Feel better.  
Take control.  
Be as healthy as  
you can be.

## Program Benefits

As a member of our Health Home, you get:

- **A Resource Coordinator** to work with you to set health goals, coordinate your care and treatment, and provide education and tools to help you manage your health
- **Help with arranging appointments** with doctors and other health care providers
- **Help with transportation** to medical appointments
- **Help with arranging social services** programs
- **Referrals to specialists**
- **Access to a 24-hour call center** to answer your health care questions, so **you are never alone**
- Information about how to **eat well and stay active**

## How the Program Works

You will be assigned a Resource Coordinator who will help you access the health services you need. Your Resource Coordinator will connect with all of your health care providers, and coordinate the care and treatments that are best for you.

In addition to the Resource Coordinator, your Health Home team may include Care Managers, Outreach Specialists, Doctors, Nurses, Pharmacists, Social Workers, and Physical Therapists.

## How to Get Started

You can start getting healthier right now! Setup an appointment to meet with our staff and discuss your participation today by calling **(888) 680-6501**.
